Express Mail No.: EV 383194455 US
Docket No.: LUMA 7577U2
FOUR CHANNEL LIGHT SYSTEM FOR VEHICLES
Attorney: Nelson D. Nolte - (314) 238-2400

A technical line drawing of a vehicle's front end. It features a large, rectangular grille at the top, supported by two vertical posts. Below the grille is a horizontal bumper bar. On either side of the bumper are circular headlight units. The front fenders are shown as curved panels meeting at the bottom center. The entire assembly is labeled with numbers: '1' points to the top edge of the grille; '2' points to the left side of the bumper; '3' points to the right side of the bumper; '4' points to the bottom center of the bumper; and '5' points to the top right corner of the grille.
